

3/22/22 Start of Assignment 2

When: 5:00-6:00pm

Absent: 20 people showed up - absent - Tyler? Ibrahim

Agenda

- Ensure everyone has been invited to the new repo
- Reflection on the previous project, any feedback
- Change of team structure for this new project
- Go through the issues/future work for team 2's repo
- Urgent issues
 - Fix ESLint EOL <https://github.com/SE701Team2/Updog/issues/125>
 - Pass CI Fix Prettier and ESLint

Minutes

Invite people to new Repo UpDog

<https://github.com/SE701Team2/Updog>

Github usernames:

- shreytailor
- uoa-ppat965

Reflection

- More frontenders for the next assignment
- General when2meet to refer to for organising meetings ,rather than many small group ones

Original team structure

- Frontend: 11
- Backend: 8
- Product Owner: 3
- “we just had a bigass frontend, 3 devops and the rest backend”

<https://github.com/SE701Team2/Updog/wiki/Feature-Set>

Possible team:

- Prettifying team
- Product/Design team
 - Dhvani, Shrey, CZ, Shreya, Flynn
- Smol backend team

Possible Ideas

- Dark mode
- Stories
-

Action Points

- Need a new a master branch to work on
- Fix CI/CD
- Frontend to look at cyprus testing
- Poll for frontend vs backend
- Look through wiki and conventions
- Product Design to meet now
- Rename main branch
- Change team meeting to 5:30
- Change discord structure to reflect new project ((blocked by
