Reviewing Your Electronic Proof

Use this proof to check:

➕ **Spelling** of names, addresses, phone numbers, URLs, etc.

➕ **Placement** and **size** of all text, logos, images and shapes.
   Proper use of the **Safety**, **Trim** and **Bleed** lines.

But NOT to check:

➖ **Color** and **print quality** - Computer screens look brighter than print and your printer may produce different results then our press.
