

Failed to compile

```
./node_modules/scichart/_wasm/scichart2d.js
Module parse failed: Identifier 'Module' has already been declared (7:12)
|   let Module = arguments.length > 0 && arguments[0] !== void 0 ? arguments[0] : {};
|   var _s = $RefreshSig$();
>   var Module = typeof Module !== "undefined" ? Module : {};
|   var readyPromiseResolve, readyPromiseReject;
|   Module["ready"] = new Promise((resolve, reject)=>{
```

This error occurred during the build process and can only be dismissed by fixing the error.
