Requesting to join the WIS as a data producer

Center → **WMO**: My organisation would like to join WIS
in order to make available data we produce.

> There is no registration
> to consume data

WMO → **Center**: Great! Let me check with the PR of your country.

> The Permanent Representative of each country
> must approve new organisations to join WIS
> and allow them as a reference data producer.

WMO → **PR**: Centre would like to join the WIS. Do you agree ?

PR → **WMO**: Yes. Please proceed.

> The procedure (formal letter, email,...) will be defined

WMO → **Center**: PR has approved. You can now create WIS2 Node(s).

> The new center is registered as a National Center
> (or Data Colletion Production Center) in WIS database
